Polaris Project's National Training and Technical Assistance Program (NTTAP) - Polaris Project	The Polaris Project provides this training in an effort to ensure the implementation and institutionalization of anti-trafficking efforts. Polaris Project conducts trainings, offers consultations and technical assistance, develops specialized curricula, and assists Task Forces, coalitions and advocates with capacity building and sustainability. This includes providing current information on federal and state laws, promising practices, victim identification and assessment, and recent human trafficking trends. Polaris Project's goal is to equip stakeholders with the most comprehensive tools and approaches necessary to enhance community networking, coordination, and response.	In-Person Training/ Online Training - Webinar/ Curriculum Development	training@polarisproject.org	Attorneys, Judges, Law Enforcement, Prosecutors, and Social Services
Open Society Foundation	Martina Vandenberg strives to provide training and technical assistance on civil remedies available for trafficking victims in the United States. The training is designed for pro bono attorneys and anti-trafficking advocates focuses on criminal restitution and other damages. In addition to the training, Ms. Vandenberg has materials available for pro bono attorneys representing survivors of human trafficking in criminal and civil litigation.	In-Person Training/ Online Training - Webinar	Martina Vandenberg (202)716-8485 martinavandenberg470@hotmail.com	Law Enforcement, Pro Bono Attorneys, Prosecutors, Social Services
Project REACH	Project REACH provides consultations and brief mental health services to victims of human trafficking throughout the United States. Project REACH will provide information to local health providers regarding individuals who have been trafficked. A majority of the trainings offered by Project REACH focus on trauma and trafficking response. These trainings will include information about human trafficking, the psychological effects of trauma, information on working with trafficking survivors (interview techniques), and information on culturally appropriate, trauma-interventions with survivors of human trafficking.	In- Person Training	Elizabeth Hopper (617)232-1303 ext. 211 ehopper@jri.org	First Responders, Social Services, and Law Enforcement

"21st Century Slaves and Abolition" - Against Our Will	This is curriculum developed for colligate students to examine modern day slavery and the work that people are doing to abolish it. Though the subject matter will occasionally be disturbing, the focus of the course is on understanding how each and every one of us can be active participants in the discussions and activism that surrounds issues of global significance that we care most about. At the end of the semester, students will be asked to present a proposal for action that might be taken to advance a positive agenda for change in response to an issue about which they are personally passionate.
